

# TSC GLOBAL VIRTUAL RELAY

## CAMPAIGN CONCEPT

A month-long global virtual relay to raise awareness of tuberous sclerosis complex (TSC) by symbolically passing a digital baton across all seven continents. Throughout the month of May, the relay baton passes virtually between regions, carrying stories and highlights from your TSC community.

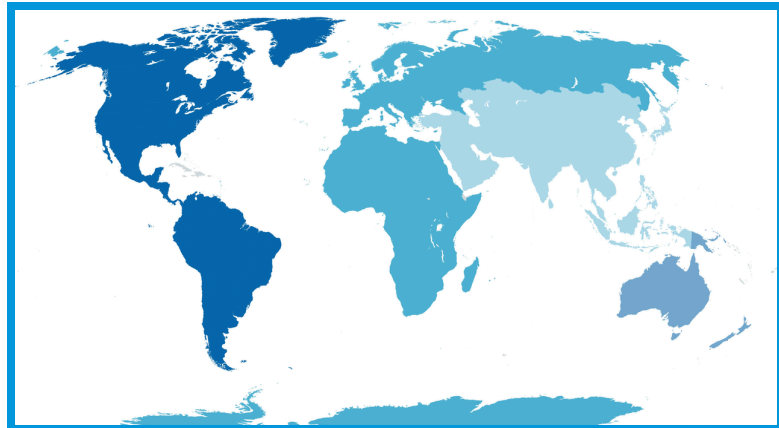

## JOIN US!

### Everybody, Everywhere

Individuals, families, healthcare providers, researchers, schools, workplaces, clinics, hospitals, corporate partners, influencers, organizations, and TSC associations.

## BATON ROUTE

## PHOTO CAMPAIGN

### Connecting the World for TSC

Starting in Australia and New Zealand, a global photo gallery will move across the world on [tscglobalday.org](https://tscglobalday.org). Each region's photos will be featured during its week in May.

- Week 1: May 1–10 (Australia & New Zealand)
- Week 2: May 10–17 (Asia)
- Week 3: May 17–24 (Europe, Africa, & Antarctica)
- Week 4: May 24–31 (Americas)

Download the flyer and submit your picture on the [TSC Global Day](https://tscglobalday.org) site and share on social media.

Please be sure to use these hashtags:
